

Principal's Message

Sundargarh public School was established in the year 2018 with 23 students. It is the first English Medium School affiliated to CBSE in Sundargarh Town. Its aim as to provide holistic education. Sundargarh Public School is equipped with every facility under one name and one roof.

Our committed motivating encouraging and caring teachers are the backbones of our School. They inspire our children to believe that in every crisis lies an opportunity and with resilience and patience, great things can be achieved.

I am highly thankful to the management, the teachers and the parents for their unconditional support and co-operation for the smooth running of the school.

The School

Sundargarh Public School envisages an all round and balanced education based on intellectual, Physical, Moral and Social formation. Feeling the deterioration of academic standard and degeneration of values, the Sundargarh public School was setup in 1980. It has been catering to the need of the people of Sundargarh since then.

The School boasts of high discipline, a family atmosphere and high academic standard. The institution provides better exposure to the students increasing their outlook and creating a sense of confidence in them.

It has a vivid green campus with open playground ideally suited for an institute of learning. It is recognised by the Govt. Of Odisha and affiliated to the CBSE students have been coming out with flying colours in CBSE and other Examinations.

Mission

Our mission is to make Sundargarh an All India Standard educational destination and our mission is to bring education of All India Standard within the reach of every individual of Sundargarh irrespective of caste, creed & religion. We are committed to the achievement and fulfilment of Excellence in education, research and dedication for the benefit of humanity.

Vision

Sundargarh Public School is not only pursuing academic excellence but also motivating and empowering its students to be lifelong learners, critical thinkers and productive members of an ever changing global society.

Sundargarh Public School is promoting experiential learning and art integrated learning in classrooms and for Holistic Development of the students promoting critical and creative thinking aligned to 21st century skills.

Academics

Achieving academic excellence is at the heart of our endeavour as educators. Academic being a prime interest to us, we ensure that our students are provided with the best facilities to equip themselves for a successful life in the years ahead. We have been conducting remedial classes for the weak students to enable them to cope up with others.

Science

The Science of today is the technology of tomorrow and creativity is not an option. It is essential moving on that direction activities like Science, art and craft exhibition are organised every year in our school. It provides our students to present knowledge and information on science and technology and gives shape to their creative and innovative ideas.

Our students have been bringing in laurels in the Science exhibitions at the State, Zonal and Nation levels and also participating in the international level.

Games and Sports

Sports competitions inculcate the spirit of positive challenges and sportsmanship among the students and prepare them for the life ahead. Sports, Games and Physical fitness occupy a place of importance in our curriculum. Our Children participate actively in the inter school matches of Kabaddi, Kho-Kho, Badminton, cricket and Football and also win prizes in district, state and national level tournaments

Eco-Club

We have a Holistic approach towards the environment. The Eco-Club of our School has been planting many trees in and around the locality. Our School was awarded with the "Prakruti Mitra" Award and Our Teacher Shri "Ashok Kumar Parida" has been awarded with the "Prakruti Bandhu" Award by the Govt. of odisha.

PTA Meeting

The PTA Meeting is held in our school every second Saturday in which both Parents and Teachers discuss and arrange necessary plans and programmes for the progress and prosperity of the school. Even a unanimous decision is taken to accelerate and promote the welfare of the children as educating children is the responsibility of both parents.

SMC Meeting

In a regular interval of three months, the SMC Meeting is held in our school in which a discussion is had by the SMC Members regarding the development of the school and the betterment of the students. Their prime focus is on hygiene, advanced infrastructure, cleanliness of the school campus and academic development and advancement.

Overall Result

The Students of our school are putting forth their best effort into all kinds of activities related to education, games and sports and all other fields. The students are focussing on integrity and wisdom, the two pillars on which they are building commitments. They are devoted, committed and dedicated to bring laurels in the field of academics, games and sports, science and other activities. They are participating in different intra and inter school competitions like essay, debate, song, dance etc and winning prizes. Our school is adopting Experiential Learning method according to the NEP 2020 to brighten, enlighten and widen the standard of the students through joyful learning.
